

Dear Parent or Guardian,

Parent-Teacher conferences will be held Wednesday, October 24, 2018 and Thursday, October 25, 2018. Wednesday conferences are from 3:30 P.M. until 8:30 P.M., and Thursday conferences are from 8:00 A.M. until 4:00 P.M.

Your child is a member of 8<sup>th</sup> grade Team Summit. We teach the subjects of Math, Science, Social Studies, English / Language Arts, Reading, Art and Health. Team Summit conferences are Student-Centered Conferences. This means that your child is required to attend the conference with you.

In Student-Centered Conferences, students take ownership of their work and accomplishments. The students are gathering and saving items in their subject folders. These items are representations of what they are doing in class. They will share this work with you, and reflect on their successes and what they can do to improve their work and effort. This evaluation and reflection will occur with you during the conference.

The teachers of Team Summit would like to have 100% participation during Student-Centered Conferences. We think you will enjoy this time together and be impressed with the skills your child will demonstrate during your conference. All students attending the Washington DC trip are required to attend conferences as they will receive their bus pass and finalize all paperwork.
