

**Gateway
Middle School**

September 26, 2018

Dear Parent/Guardian,

We have a great opportunity for your child! Team Summit is forming a leadership group of which your son or daughter can apply. The teachers of our team are reaching out to you so you can encourage your child to apply if they meet the criteria. We are looking for students who have the following characteristics:

1. Influence over other students (ability to lead)
2. Energy givers
3. Comfortable leading others
4. Good communicators
5. Tolerant of others
6. Empathetic

Your child, along with a group of his or her peers, will be trained in leading others to develop and implement service projects here at Gateway Middle School. We are calling this "Gateway Gives" since our projects involve our students giving back to the community.

The training will take place one day a week for several weeks at a time determined by the response we receive through the survey. It will take place before school or in Academic Assist. They will be participating in a variety of activities to develop leadership skills in order to oversee a group of students and lead them in the development of service projects.

If you have any questions, contact Mr. Coutcher, team leader of Team Summit, at (419)893-3386 or ccoutcher@maumee.k12.org.

Sincerely,

Team Summit
